## Lot 508

**Estimate:** £400 - £600 + Fees

A Bang & Olufsen separates stereo system to include Beomaster 6500, Beogram 6500, Beocord 6500, Beogram 6500 turntable and Master Control Panel 6500, main components w.42, d.33, h.7.5cm, with remote and instruction manuals, together with a pair of B&O Beolab Penta tower speakers, h.165cm.

### Condition Report

Separates are in good condition, would benefit from a light clean but no obvious damage.

Was in complete working order when removed from the vendors home – we have had it plugged in with all components lighting up but have been unable to get any sound.

Missing one speaker wire plug.

With instructions.
