The *love all* co-beneficiaries are honoured to include this very special experience generously donated by Mrs Eve Short.

You and your guest are invited to stay within the castle or a family of 4 (with children aged under 16 years) are invited to stay at one of the cottages within the grounds of one of the world's most prestigious private members clubs.

The Club was originally founded by the 19th century American industrialist and philanthropist Andrew Carnegie.

This unique experience includes all meals and beverages throughout the stay. Further details regarding activities available can be provided by Skibo Castle and will be weather dependent at the time the trip is taken. The exclusive 18 hole golf course will also be available to play.

The nearest airport is Inverness, approximately 1hr 15 mins from the Castle. Transfers to and from the airport may be arranged through Skibo.
